

## ISO 45001:2018 Training Courses

Which course is right for you? There are five separate courses, each designed to meet the requirements of the relevant IRCA course specification. The table below provides a guide to help you determine which course is best for you. If you have any queries or are still not sure, please contact me at [chrisjward@imglobalstandards.com](mailto:chrisjward@imglobalstandards.com)

Previous Training Completed	Recommended Courses for you
None	ISO 45001 Foundation Course (1 day)
OHSAS 18001 Internal Auditor Training	ISO 45001 Foundation Course (1 day) followed by ISO 45001 Internal Auditor Course (2 days)
OHSAS18001 Lead Auditor	ISO 45001 Auditor Transition Course (2 days)
ISO 9001 or ISO 14001 Lead Auditor	ISO 45001 Foundation Course (1 day) followed by ISO 45001 Auditor Conversion Course (3 days)

And if you wish to become an ISO 45001 Lead Auditor but have not previously completed training then we recommend that you complete the ISO 45001 Foundation Course followed by the ISO 45001 Lead Auditor Training (5 days).

Also, if you have attended Internal Auditor training in the past and wish to advance your knowledge and skills, then we recommend the ISO 45001 Foundation Course (1 day) followed by ISO 45001 Lead Auditor Training (5 Days)

Please visit our website for full course outlines, dates and bookings for all these courses.
